

# Basic Joomla Training

presented by the TLN Technology Committee  
with Eric Hayes, IT Coordinator/Webmaster @ Royal Oak Public Library  
<http://www.ropl.org>

**Where:**

Plymouth District Library  
223 S Main St  
Plymouth, MI 48170  
(734) 453-0750  
<http://plymouthlibrary.org>

**When:**

Thursday, March 18, 2010  
9:30am to 11:30am

Join us at **Plymouth District Library** for a **Basic Joomla Training** class. This class will help familiarize your staff with using the Joomla Content Management System to effectively present your Library website.

12 workstations will be available for the class. The first 12 who sign up will have priority access to the provided equipment. We will be using "MovAMP" to provide a completely autonomous Joomla training environment for all who attend.

Your trainer for the event is Eric Hayes, IT Coordinator and Webmaster for Royal Oak Public Library. ROPL recently released the latest version of their website, which runs on Joomla. The class will last approximately 2 hours.

You may RSVP for this event by sending email to Michael McEvoy, Chair of the TLN Technology Committee at [mmcevoy@northvillelibrary.org](mailto:mmcevoy@northvillelibrary.org) OR by completing the form below. Please specify who will be attending, and whether or not a laptop will be required.

Please RSVP by Thursday, March 11, 2010.
